

BREZDEN PEST CONTROL

Don't get the run around...Have the "Brez" around.

Why Customers Choose Us

1

EXPERIENCE

Brezden Pest Control was founded in Cayucos by John and Maria Brezden in 1980. As the business grew, it expanded to serve all of San Luis Obispo, Paso Robles, Los Osos, Cayucos, Cambria, Five Cities, Atascadero and Santa Maria. Brezden Pest Control is proud to have grown into the premiere pest control company in and around San Luis Obispo county.

2

FAMILY OWNED

Brezden Pest Control is a family owned and operated business with a reputation based on trust and reliability. Founders John and Maria Brezden have been building a team of well-trained service technicians and office staff that work together to find you the most environmentally friendly way to control pest and termite problems, rodent problems and within and around your property. All work is guaranteed in writing.

3

WEB SITE PORTAL

Clients that have pest control services performed on a regular basis can log into their online account at Brezdenpest.com and access their account, keep track of scheduled services and billing. Inside our customer portal, you have access to instant updates provided by our technicians out in the field. Brezden Pest Control is dedicated to offering as much information about pests as possible on our web site. We use our web site as more than just a business card. To keep our loyal customers educated, we're writing valuable informative articles every month on the subject of pest control.

4

RESIDENTIAL PEST CONTROL

Brezden Pest Control is known as the "Property Owner's favorite" for their comprehensive pest control services. We can treat most homes using outside only treatments. This introduces less pesticides into your home while keeping the pests outside where they belong. We are dedicated to offering outstanding service and excellent results while keeping your home free of unwanted pest and weeds. Our technicians are licensed and trained to partner with you and help educate you on preventative steps you can take to keep your home pest free.

5

COMMERCIAL PEST CONTROL

Commercial pest control from Brezden Pest Control isn't a one-size-fits-all solution. Instead, we offer custom pest control programs that are created specifically for your business' specific needs. Brezden Pest Control professionals are equipped and trained to treat a wide range of commercial properties – hotels, restaurants, apartments, schools, medical and office buildings.

BREZDEN PEST CONTROL

Don't get the run around...Have the "Brez" around.

Why Customers Choose Us

6

ECO-FRIENDLY

Concerned about the environment? So are we! We offer EcoSmart and Mother Earth products. Many pest control companies are still treating pest control problems with products that harm the environment. The reason many companies don't choose the eco-friendly route is because of cost. Brezden Pest Control's service is friendly to both your wallet and the environment, without sacrificing effectiveness.

7

ONGOING EDUCATION

Brezden's staff is friendly, courteous, knowledgeable, enthusiastic and is willing to answer any questions you may have. Ongoing education ensures that the company offers the latest in application technology, equipment and materials.

8

STATE OF THE ART TECHNOLOGY

Businesses choose us because of our state-of-the-art pest control technology, expertise in using them to eliminate unwanted pests. We continually updates our products, procedures, and equipment so that you always receive state of the art pest control technology and service. Whether you need help with termite control, roach control, mouse control, bat control, squirrel control, bee/wasp control, tick control or even bed bug control, the Brez can help with ALL your exterminating needs. Residential and Commercial.

9
